INTERLINK

local services, local staff, local knowledge

Community Interlink deliver Home Care services via your local hospital or health service.

Our mission is to help seniors live comfortably and age gracefully in their own home.

Community Interlink services include:

Home & Garden

Routine services or one-off jobs to keep your home clean and garden maintained. We can also arrange any home modifications necessary to meet your care needs.

Personal Care

Support to help you to have a shower or bath, get dressed, get in and out of bed, use the lavatory and perform other personal grooming tasks.

Dementia Support

Behavior management care, counselling, respite and sourcing of specialised amenities.

Nutrition

Help to prepare meals, organise delivery of pre-prepared food, go grocery shopping and feeding assistance.

Health

Home Nursing and Allied Health services such as Occupation Therapy, Physiotherapy, Podiatry, Speech Pathology, Nutrition and Dietetics.

Equipment

Sourcing and maintenance of hearing, visual, eating and mobility aides, as well as support apparatus including handrails, commode chairs and shower/bath chairs.

Transport

Assistance to get to your next major city, or simply to go shopping and get around town.

Respite

Community or home-based time to recharge for you and your carer.

Personal Assistance

Help with form-filling, letter writing, coordination of bill payments and more.

Social Engagement

Support to stay connected to your favourite social groups and pastimes, or to find new ones.

Safety Management

Falls prevention support and 24-hour call button alarm set up.

Wellbeing

Connect to relaxation activities, schedule well-earned massages or talk-it-out with one of our trusted counsellors.
