It is a condition of appointment that all workforce members complete Mandatory Training as required upon commencement, annually and in accordance with timelines specified in relevant health service policies and procedures.

POSITION DESCRIPTION

[Human Research Ethics Committee Member]

Performance & Accountability:

A review of performance shall be undertaken within six months following commencement and annually thereafter. There is an expectation that members of our workforce will assume responsibility for completion of any learning requirements advised by the organisation.

Quality and Risk Management:

In order to help ensure continued engagement, patient safety and quality of care:

- Understanding individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines at NHW
- Comply with requirements of the National Safety and Quality Health Service Standards, Aged Care Quality Standards and other relevant standards, regulations and legislative requirements.
- Contribute to organisational quality and safety initiatives and participate in the development and review of policies and procedures as appropriate
- Minimise the risk of infection to consumers, residents, workforce, visitors, contractors and the general public
- Maintain a safe working environment at all times
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and our workforce

Staff are required to abide by the Code of Conduct for NHW.

Occupational Health & Safety and Wellbeing:

The safety, health and wellbeing of our workforce is a priority for NHW and I recognise the importance of an environment that promotes and nurtures the physical, mental, emotional and social wellbeing of all individuals. I commit to:

- Comply with instructions given for their own safety and health and that of others, in adhering to safe work procedures
- Take reasonable care to ensure their own safety and health and that of others, and to abide by their duty of care provided for in the legislation
- Reporting through the incident management system any near misses or incidents as they occur
- Not place others at risk by any act or omission
- Not wilfully or recklessly interfere with safety equipment
- Partaking in the promotion of the health and wellbeing of our workforce
- Contributing to an inclusive and health promoting environment
- Promoting our values and vision

An organisational culture that promotes positive mental health and wellbeing through supportive leadership, workforce participation and shared decision making.

Policies & Procedures:

Whilst the policies and procedures do not form part of your role, it is expected that you will comply with NHW's policies, procedures and reasonable instructions at all times during the course of your engagement.

Confidentiality:

Confidentiality is a matter of concern for all persons who have access to personal information about patients, clients, residents or workforce of NHW. Members of NHW workforce must understand and accept that in accessing this personal information they hold a position of trust relative to this information. In recognising these responsibilities staff must agree to preserve the confidential nature of this information. Failure to comply with this agreement may result in disciplinary action and may include termination of engagement.

POSITION DESCRIPTION

[Human Research Ethics Committee Member]

Declaration:

As the incumbent of this position, I acknowledge that I have read this Position Description, understand its contents and agree to work in accordance with the contents therein. I understand that other duties may be directed from time to time.

I understand and accept that I must comply with the policies and procedures applicable to NHW. I also agree to strictly observe the NHW Code of Conduct and policy on confidentiality of commercial and patient information or such sensitive information that I may come across in the course of my engagement.
