## OUR VISION

**To be recognised leaders in rural healthcare**

---

## OUR VALUES

▶ **CARING**    ▶ **EXCELLENCE**    ▶ **RESPECT**    ▶ **INTEGRITY**    ▶ **FAIRNESS**

---

## ROLE DESCRIPTION

The Enrolled Nurse (EN) is part of the multidisciplinary health care team and utilises the practice of nursing to provide patient care under the direction and supervision of the Registered Nurse/Registered Midwife (RN/RM).

You are responsible for ensuring you practice in accordance with the Nursing and Midwifery competency standards for Enrolled Nurses, the ANMC professional Code of Conduct, NMBA Code of Ethics, NHW Nursing & Midwifery Capability Framework domains of practice, NHW values and Code of Conduct.

You will be responsible for providing patient centered, safe care across a range of contexts under the supervision of an RN/RM. You will be responsible for performing self-assessment of scope of practice and competence related to your assigned responsibilities. You will ensure responsibility for individual actions and accountability for the care you provide and be accountable to the supervising RN/RM for the respective delegated activities and actions.

---

## KEY ACCOUNTABILITIES

### Direct Comprehensive Care

- Contributes to the formulation of nursing care plans in collaboration with the supervising RN and patient/family
- Has a patient/family centred care approach to care throughout the patient stay, including but not isolated to admission, daily communication, education, response to treatment, interdisciplinary care planning and discharge
- Manages nursing care of individuals within the scope of EN practice and under the supervision of an RN
- Utilises HWE tactics to support standardisation of practices related to communication, behavior and practices
- Administers medication and intravenous (IV) therapy in accordance with AWH policy and licensure and EN qualification
- Accurately documents components of care

### Support of Systems

- Conducts nursing care and practice in a manner that respects the rights of individuals and groups

### Education

- Contributes to the orientation/familiarisation of new staff, working within EN scope of practice
- Participates in ongoing professional development of self
- Utilises feedback to guide clinical care and professional development
- Actively participates in yearly Performance and Development review with manager

### Research

- Practice is informed by evidence based practice framework, standards and clinical guidelines
- Participates in unit based quality improvement initiatives within EN scope of practice
- Uses critical thinking in assessing and evaluating health information and research

## Professional Leadership

- Practices in accordance with legislation, policies and procedures relevant to EN's
- Practices within an ethical framework
- Supports HWE initiatives
- Behaviours align with NHW values, kindness charter and standards of behavior
- Meets NMBA continuing professional development practice standards
- Completes NHW expected competencies within designated timeframes
- Maintains an active professional development portfolio demonstrated by attending and participating in relevant courses, workshops, lectures, tele/video conferences

---
