# POSITION DESCRIPTION

## Medical Imaging Technologist

### Performance & Accountability:

A review of performance shall be undertaken within six months following commencement and annually thereafter. There is an expectation that staff will assume responsibility for completion of any learning requirements advised by the organisation.

### Quality and Risk Management:

In order to help ensure continued employee, patient safety and quality of care:

- Understanding individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines at NHW
- Comply with requirements of the National Safety and Quality Health Service Standards, Aged Care Quality Standards and other relevant standards, regulations and legislative requirements.
- Contribute to organisational quality and safety initiatives and participate in the development and review of policies and procedures as appropriate
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Maintain a safe working environment at all times
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and our workforce

Staff are required to abide by the Code of Conduct for NHW.

### Occupational Health & Safety and Wellbeing:

The safety, health and wellbeing of employees is a priority for NHW and I recognise the importance of an environment that promotes and nurtures the physical, mental, emotional and social wellbeing of all individuals. I commit to:

- Comply with instructions given for their own safety and health and that of others, in adhering to safe work procedures
- Take reasonable care to ensure their own safety and health and that of others, and to abide by their duty of care provided for in the legislation
- Reporting through the incident management system any near misses or incidents as they occur
- Not place others at risk by any act or omission
- Not wilfully or recklessly interfere with safety equipment
- Partaking in the promotion of the health and wellbeing of employees
- Contributing to an inclusive and health promoting environment
- Promoting our values and vision

An organisational culture that promotes positive mental health and wellbeing through supportive leadership, employee participation and shared decision making.

### Policies & Procedures:

Whilst the policies and procedures do not form part of your employment contract it is expected that you will comply with NHW's policies, procedures and reasonable instructions at all times during the course of your employment.

### Confidentiality:

Confidentiality is a matter of concern for all persons who have access to personal information about patients, clients, residents or employees of NHW. Staff must understand and accept that in accessing this personal information they hold a position of trust relative to this information. In recognising these responsibilities staff must agree to preserve the confidential nature of this information. Failure to comply with this agreement may result in disciplinary action and may include termination of employment.
