Workplace Location:	Green Street Campus
Primary purpose of the position:	<p>The Emergency Physician / Emergency Senior Medical Officer In Charge (EP / ESMO) is responsible for ensuring the day-to-day clinical operation of the Emergency Department delivers effective and safe high-quality patient care. The role includes direct clinical care as part of the senior staffing roster.</p> <p>The position works closely with the Clinical Director of Emergency Services (CDES), Operational Directors, and other senior clinical staff to ensure the Emergency Department achieves key organisational performance measures, develops and maintains effective working relationships within the Hospital, the region, with other service providers, key stakeholders, consumer organisation and the community.</p> <p>The EP / ESMO assists with change management within the Emergency Department to achieve ongoing improvement and delivery of safe, consistent, responsive and high quality services.</p> <p>The organisational structure encompasses a CDES, EP / ESMO, Junior Medical staff and Interns. Clinical privileges will be exercised within the scope of practice granted by NHW Medical Appointments and Scope of Practice Committee.</p>
Position Description reviewed:	June 2021

Key Accountabilities:	
1.	Provide Emergency Department clinical services including regular "in charge" shifts as required by the CDES, and be willing to cover unexpected absence of medical staff (for example due to sick leave) if all other reasonable attempts to cover the position are exhausted
2.	Participate in the oncall roster including weekends and public holidays
3.	Support Workforce initiatives, such as recruitment, orientation, teaching and professional development
4.	Support development of emergency response capability in Urgent Care services within the sub-region
5.	Support ED planning initiatives related to efficiency, quality of care and committee and working party participation

POSITION DESCRIPTION

Emergency Physician / Senior Medical Officer In Charge

6.	Support quality improvement processes relating to clinical governance, risk management, accreditation, complaint and incident management
7.	Review and create relevant ED hospital policies & procedures
8.	Collaborate closely with relevant nursing staff and other health professionals in order to provide a multidisciplinary method of patient care
9.	Assist the CDES as required in management of ED reporting, budgeting and cost management
10.	Contribute to research projects relating to emergency medicine
11.	Contribute effectively within and to a team environment
12.	Promote best practice to all staff within NHW, but especially to clinical staff in the Emergency Department
13.	Promote and comply with NHW Values, Standards of Behaviours, the Medical Board of Australia Code of Conduct and the agreed standards and regulations relating to the profession
14.	Other responsibilities as reasonably determined by the EDMS

Key Relationships:

Internal	External
1. Medical and Nursing staff	1. Patients and patients families
2. Allied health and support staff	2. Mental Health Clinicians
3. CDES	3. GPs and Senior Medical Staff
	4. Smaller rural health services
	5. Referral and metropolitan hospitals and Ambulance and Retrieval services

Key Selection Criteria:

1.	Medical qualification registered or registrable with the Australian Health Practitioner Regulation Agency
2.	Substantive experience in ED clinical management and demonstrated ability to autonomously function as Senior In Charge
3.	Fellowship in a recognised College such as Australasian College of Emergency Medicine; Australian College of Rural and Remote Medicine or Australian College of General Practitioners
4.	Sound clinical knowledge, skills and experience in contemporary medical and evidence based practice
5.	Experience in teaching at undergraduate and graduate level
6.	Effective communication and interpersonal skills as well as a belief in consumer-centred medicine
7.	Awareness of current legislation and policies pertaining to medical practice and the workplace including EEO, OH&S, Public Sector Management, Infection Control and access for clients with a disability
8.	Participation in the Continuing Medical Education program of the relevant college

In addition to the above, all staff must have and remain current for continued employment, the following:

1.	Current Class C Driver's Licence (preferred)
2.	A current National Police Check (renewed every 3 years)
3.	A current Employer Working with Children Check (renewed every 5 years)

Immunisation:

It is a condition of appointment that all employees comply with our immunisation requirements during employment. This position is classified as Category A. Covid-19 Vaccination (mandatory) and yearly Flu Vaccinations are required.

POSITION DESCRIPTION

Emergency Physician / Senior Medical Officer In Charge

Diversity:

We encourage you to bring your 'whole self to work'. NHW is a safe and inclusive workplace. We value the visible and invisible qualities that make you who you are. We expect our workforce to align with our diversity expectations and programs. Working at NHW means you are on board with our journey, you will show respect, understanding and kindness to other regardless of ethnicity, sexuality, identity or any other protected attribute. We particularly acknowledge the traditional custodians of our land and pay our respects to elders past, present and emerging.

Mandatory Training:

It is a condition of appointment that all employees complete Mandatory Training and Clinical Competencies as required upon commencement, annually and in accordance with timelines specified in relevant health service policies and procedures.

Performance & Accountability:

A review of performance shall be undertaken within six months following commencement and annually thereafter. There is an expectation that staff will assume responsibility for completion of any learning requirements advised by the organisation.

Quality and Risk Management:

In order to help ensure continued employee, patient safety and quality of care:

- Understand individual responsibility for consumer safety, quality and risk and adhere to the relevant policies, procedures and guidelines at NHW
- Comply with requirements of the National Safety and Quality Health Service Standards, Aged Care Quality Standards and other relevant standards, regulations and legislative requirements.
- Contribute to organisational quality and safety initiatives and participate in the development and review of policies and procedures as appropriate
- Minimise the risk of infection to consumers, residents, employees, visitors, contractors and the general public
- Maintain a safe working environment at all times
- Identify, report and manage risks and ensure actions are taken to prevent and minimise harm to consumers and our workforce

Staff are required to abide by the Code of Conduct for NHW.

Occupational Health & Safety and Wellbeing:

The safety, health and wellbeing of employees is a priority for NHW and I recognise the importance of an environment that promotes and nurtures the physical, mental, emotional and social wellbeing of all individuals. I commit to:

- Comply with instructions given for their own safety and health and that of others, in adhering to safe work procedures
- Take reasonable care to ensure their own safety and health and that of others, and to abide by their duty of care provided for in the legislation
- Reporting through the incident management system any near misses or incidents as they occur
- Not place others at risk by any act or omission
- Not wilfully or recklessly interfere with safety equipment
- Partaking in the promotion of the health and wellbeing of employees
- Contributing to an inclusive and health promoting environment
- Promoting our values and vision

An organisational culture that promotes positive mental health and wellbeing through supportive leadership, employee participation and shared decision making.

Policies & Procedures:

Whilst the policies and procedures do not form part of your employment contract it is expected that you will comply with NHW's policies, procedures and reasonable instructions at all times during the course of your employment.

POSITION DESCRIPTION

Emergency Physician / Senior Medical Officer In Charge

Confidentiality:

Confidentiality is a matter of concern for all persons who have access to personal information about patients, clients, residents or employees of NHW. Staff must understand and accept that in accessing this personal information they hold a position of trust relative to this information. In recognising these responsibilities staff must agree to preserve the confidential nature of this information. Failure to comply with this agreement may result in disciplinary action and may include termination of employment.

Declaration:

As the incumbent of this position, I acknowledge that I have read this Position Description, understand its contents and agree to work in accordance with the contents therein. I understand that other duties may be directed from time to time.

I understand and accept that I must comply with the policies and procedures applicable to NHW. I also agree to strictly observe the NHW Code of Conduct and policy on confidentiality of commercial and patient information or such sensitive information that I may come across in the course of my employment.
